Bonds in fully registered form shall be in the denomination of \$5,000 and any integral multiple thereof, shall be numbered consecutively from R-1 upwards within each series, and shall be dated as of the date of their initial delivery if authenticated prior to the first interest payment date, and otherwise shall be dated as of the interest payment date next preceding the date of their authentication, except that if authenticated on an interest payment date, they shall be dated as of such date of authentication; provided that if at the time of authentication interest thereon is in default, they shall be dated as of the date to which interest has been paid.

The Bonds shall bear interest from their respective dates at a fixed rate of eleven percent (11%) per annum. Principal on the Bonds shall be payable annually on January 1 of each year commencing 1985, in the following amounts:

The Bonds shall mature on January 1, 2004.

The Trustee, on behalf of the Issuer and without further action by the Issuer or any Borrower, shall cause to be paid, from the Pledged Receipts therefor and in the manner provided herein, on each applicable January 1, the aggregate principal amount of Bonds to be paid.

The Bonds are subject to optional redemption prior to maturity, in whole or in part, on January 1, 1994, or on any Interest Payment Date thereafter, in the event of prepayment of the corresponding Note in full or in part by the respective Borrower as provided by the first paragraph of Section 6.1 of the respective Loan Agreement. The redemption date in any such event shall be the date set by such Borrower for prepayment of such Note in accordance with the provisions of such paragraph. The redemption price in any such event shall be equal to the following percentages of the principal amount redeemed, plus in each case accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Optional Redemption Price</u>
January 1, 1994 or July 1, 1994	105-3/4%

January 1, 2003 or July 1, 2003	101-1/4%

The Bonds are also subject to optional redemption in whole in the event of the exercise by the respective Borrower of its option to prepay the corresponding Note in full as provided by the fourth paragraph of Section 6.1 of the respective Loan Agreement, at a redemption price of 100% of the principal balance of such series of Bonds outstanding on the date of redemption, plus accrued interest to the redemption date.

The Bonds shall also be callable for redemption in whole or in part, upon occurrence of any of the circumstances which operate to require prepayment of the corresponding Note in full or in part by the respective Borrower in accordance with the provisions of the first and third paragraphs of Section 6.2 of the respective Loan Agreement. The redemption date in any of such events shall be the date set by such Borrower, (or in default thereof, by the Trustee) for the prepayment of such Note in whole or in part in accordance with the provisions of such Loan Agreement. The redemption price in any of such events shall be 100% of the principal amount of the Bonds to be redeemed on the date of redemption, plus accrued interest to the redemption date; provided that upon any call for redemption of Bonds due to a Determination of Taxability, the redemption price shall be increased by an amount equal to the difference between (a)(i) the aggregate amount of interest which would have been payable on the Bonds of such series if the interest rate on such Bonds, commencing on the date of the Event of Taxability, had been the Taxable Rate of Interest, plus (ii) any penalties and interest payable by the Bondholders to any taxing authority as a result of the loss of the tax-exempt status of interest on such Bonds, plus (iii) all attorneys fees and other costs incurred by the Bondholders in contesting or resisting the loss of the tax-exempt status of interest on such Bonds, and (b) the aggregate amount of interest actually paid on the Bonds of such series to the redemption date.

Notice from the respective Borrower to the Trustee that its Note is to be prepaid in whole or in part pursuant to the respective Agreement shall constitute the direction of the Issuer to the Trustee to call a portion or all, as the case may be, of the corresponding series of Bonds, and no separate notice from the Issuer to the Trustee shall be required.

When less than the entire unmatured portion of any series of Bonds shall be called for redemption at any time or from time to time, the Bonds or portions of fully registered Bonds to be redeemed shall be selected by lot by the Trustee in such manner as the Trustee may determine.

Notice of the call for any redemption of any series of Bonds, identifying by designation, letters, numbers, or other distinguishing marks, the Bonds (in amounts of \$5,000 or any multiple thereof) or portions of fully registered Bonds to be redeemed, the redemption price to be paid, the date fixed for redemption and the place or places where the amounts due upon such redemption are payable, shall be given by the Trustee on behalf of the Issuer by at least two publications in a newspaper or financial journal of general circulation in the City and State of New York, the first such publication to be not less than thirty days prior to the redemption date, and, in the case of the redemption of Bonds at the time in the form of registered Bonds, by mailing a copy of the redemption notice by first class mail at least thirty days prior to the date fixed for redemption to the registered owner of each such registered Bond to be redeemed at the address shown on the registration books kept by the Trustee; provided, however, that failure to give such notice by mailing, or any defect in such notice, shall not affect the validity of any proceedings for the redemption of any other Bonds. If, because of the temporary or permanent suspension of the publication or general circulation of the appropriate newspapers or financial journals or for any other reason, it is impossible or impractical to publish such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of notice. If all of the Bonds to be redeemed are at the time in the form of fully registered Bonds, notice of the call for redemption may be given by mailing a copy of the redemption notice by registered or certified mail at least thirty days prior to the date fixed for redemption to the holder or holders thereof at the address shown on the registration books kept by the Trustee and newspaper or financial journal publication of the notice of the call for redemption need not be given; provided, however, that failure to give such notice to any Bondholder by mailing, or any defects in such notice to any Bondholder, shall not affect the

validity of the proceedings for the redemption of any other Bonds. The holder or holders of Bonds may waive any notice of redemption in writing, and in such event, no notice of any kind need be given with respect to the Bonds of such holder or holders to be so redeemed.

Interest on fully registered Bonds shall be payable by check or draft drawn upon the Trustee and mailed or delivered to the Bondholder at its address as shown on the Bond registration books to be kept by the Trustee. Principal of and any redemption premium on any registered Bond shall be payable at the corporate trust office of the Trustee upon presentation and surrender of such Bond at such office.

All payments of Bond Service Charges shall be made in lawful money of the United States of America, without deduction for services as paying agent. If any Bond Service Charges are not paid when due, the Issuer shall also pay to the Trustee, for distribution to the Bondholders, a "late charge" equal to 4% of such Bond Service Charges to cover the extra expenses involved in handling delinquent payments. In addition, upon acceleration of the Bonds, the amounts payable upon such acceleration, together with interest thereon at the Interest Rate for Advances from the date of acceleration, shall continue as an obligation of the Issuer until paid. Moneys received by the Trustee as "late charges" and interest at the Interest Rate for Advances shall be paid by the Trustee to the persons holding or formerly holding Bonds or coupons which were not paid principal, premium and/or interest at the time required herein. The fact and period of holding any Bond or coupon shall be determined as provided in Section 9.01 of the Indenture.

All Bonds shall be negotiable instruments within the meaning of Indiana Code, subject to applicable provisions for registration, and shall express on their faces the purpose for which they are issued and such other statements or legends as may be required by law.

If Bonds or portions of fully registered Bonds of any series are duly called for redemption and if on such redemption date moneys for the redemption of all the Bonds of such series to be redeemed, together with accrued interest to the redemption date, shall be held by the Trustee so as to be available therefor, then from and after such redemption date such Bonds or portions of fully registered Bonds shall cease to bear interest and any coupons for interest thereon maturing subsequent to the redemption date shall be void.

The Bonds shall be executed by the Executive and by the Clerk of the Issuing Authority, provided that either or both of such signatures may be facsimiles, and shall bear the seal of the Issuer or a facsimile thereof. Coupons shall bear the manual or facsimile signature of the Executive or the Clerk of the Issuing Authority. In case any officer whose signature or a facsimile of whose signature shall appear on any Bonds or coupons shall cease to be such officer before the issuance, authentication or delivery of such Bonds or coupons, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until that time.

Section 5. Security for the Bonds. Except as to the Letter of Credit and the proceeds therefrom, as provided herein the Bonds shall be equally and ratably payable by the Issuer solely from the Bond Fund and the Pledged Receipts and secured by a pledge of and lien on such Pledged Receipts and Bond Fund, and shall be further secured by the Indenture and the Mortgage. Anything in the Bond Legislation, the Bonds or the Indenture to the contrary notwithstanding, neither the Bond Legislation, the Bonds nor the Indenture shall represent or constitute a general debt or pledge of the faith and credit or the taxing power of the Issuer. The Bonds are not in any respect a general obligation of the Issuer, nor are they payable in any manner from revenues raised by taxation, and the Bonds shall contain on the face thereof a statement to that effect. Nothing herein shall be deemed to prohibit the Issuer, of its own volition, from using, to the extent it may be lawfully authorized to do so, any other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Indenture, the Bond Legislation or any of the Bonds.

Section 6. Sale of Bonds and Allocation of Purchase Price; Construction Fund. The Bonds are hereby sold and awarded to the Original Purchaser. The purchase price for the Bonds shall be the original principal amount thereof. The Executive and Clerk of the Issuing Authority are each hereby authorized and directed to make the necessary arrangements on behalf of the Issuer with the Original Purchaser to establish the dates, locations, procedures and conditions for the delivery of the Bonds to the Original Purchaser. The Executive and Clerk of the Issuing Authority further are each hereby authorized and directed to take all steps necessary to effect due authentication and delivery of the Bonds under the terms of this Bond Legislation and the Indenture. It is hereby determined that the purchase prices and the terms of the Bonds and the manner of sales, as provided in this Bond Legislation, are in the best interest of the Issuer and consistent with all legal requirements.

There is hereby created by the Issuer and ordered maintained, as a separate deposit account (except when invested as hereinafter provided) in the custody of the Trustee, a trust fund to be designated "City of Fort Wayne, Indiana - Northeast Redi-Med Building Partnership Project Construction Fund" (the "Construction Fund"). The purchase price of the Bonds shall be deposited in the Construction Fund. Moneys in the Construction Fund shall be disbursed by the Trustee in accordance with the provisions of Section 3.3 of the Agreement, and the Trustee is hereby authorized and directed to make each disbursement required by the provisions of the Agreement.

The moneys to the credit of the Construction Fund shall, pending application thereof as above set forth, be subject to a lien and charge in favor of the holders of the Bonds, but only to the extent of their interest therein. Upon the occurrence and during the continuance of an Event of Default under the Agreement, moneys in the Construction Fund may be transferred by the Trustee to the Bond Fund on or before the dates on which payments are required to be made therefrom.

Section 7. Source of Payment - Bond Fund. As provided in the Agreement, Note Payments, sufficient in time and amount to pay the Bond Service Charges on the Bonds as they become due, are to be paid by the respective Borrower directly to the Trustee for the account of the Issuer and deposited in the Bond Fund.

shall fully cooperate with the Trustee and with the Bondholders to fully protect the rights and security of the Bondholders hereunder. Nothing herein shall be construed as requiring the Issuer to use or apply to the payment of Bond Service Charges any funds other than the Bond Fund and Construction Fund or revenues from any source other than Pledged Receipts. Furthermore, notwithstanding anything to the contrary herein, in the Indenture or in any other agreement or instrument whatsoever, the Issuer shall have no rights whatsoever under any Letter of Credit and no obligation whatsoever with respect to the legality or enforceability of any Letter of Credit or with respect to the availability of moneys thereunder.

The Issuer covenants and agrees, whenever the moneys and investments in the Bond Fund (or otherwise held by the Trustee for such purpose) are sufficient in amount to redeem all of the outstanding Bonds, and to pay interest to accrue thereon to the date or dates of such redemption, and any applicable premiums, to take and cause to be taken, upon notification by the respective Borrower or the Trustee, the necessary steps to redeem all of the Bonds on the next succeeding redemption date or dates for which the required notice of call for redemption may be given.

the Indenture set forth; that all actions on its part for the issuance of the Bonds and execution and delivery of the Indenture, the Agreement and the assignment of the Note, have been or will be duly and effectively taken; and that the Bonds will be valid, binding and enforceable special obligations of the Issuer according to the terms thereof. Each provision of the Bond Legislation, Indenture, the Agreement and Bonds is binding upon each such officer of the Issuer as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duties required by such provision.

(c) Pledged Receipts. Except as otherwise provided in the Bond Legislation, Indenture and Agreement, the Issuer will not make any pledge or assignment of or create any lien or encumbrance upon the Construction Fund, the Bond Fund or the Pledged Receipts, other than the pledge and assignment thereof under the Bond Legislation, Indenture and Agreement.

(d) Recordings and Filings. The Issuer will at the expense of the Borrower cause all necessary financing statements, amendments thereto, continuation statements and instruments of similar character relating to the pledges and assignment made by the Issuer to secure the Bonds, to be recorded or filed in such manner and in such places as and to the extent required by law in order to fully preserve and protect the security of the holders of the Bonds and the rights of the Trustee under the Indenture; and in pursuance thereof each Borrower has covenanted to cause to be delivered to the Trustee certain opinions of counsel, all as set forth in the Agreement.

(e) Inspection of Project Books. All books and documents in the Issuer's possession relating to the Project or to the Pledged Receipts shall at all reasonable times be open to inspection by such employees, accountants or other agents of the Trustee as the Trustee may from time to time designate.

(f) Maintenance of Agreement. The Issuer shall do all things and take all actions on its part necessary to comply with the obligations, duties and responsibilities on the part of the Issuer under the Agreements, and will take all actions within its authority to maintain the Agreement in effect in accordance with the terms thereof and to enforce and protect the rights of the Issuer thereunder, including actions at law and in equity, as may be appropriate.

(g) Rights under Agreement. The Trustee, in its name or in the name of the Issuer, may, for and on behalf of the Bondholders, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Agreement, whether or not the Issuer is in default of the pursuit or enforcement of such rights and obligations.

(h) Arbitrage Provisions. The Issuer will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are delivered to the Original Purchaser, so that they will not constitute arbitrage bonds under Section 103(c) of the Code and the applicable regulations prescribed under that section. The Clerk of the Issuing Authority or any other officer having responsibility with respect to the issuance of the Bonds is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer, employee, consultant or agent of the Issuer, or the Borrower, and upon receipt of indemnities from such Borrower, to deliver a certificate on behalf of the Issuer for inclusion in the transcript of proceedings for the Bonds, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to such Section 103(c) and regulations thereunder.

(i) List of Bondholders. Any Bondholder may in writing addressed to the Trustee request that his name and address be placed on a list of names and addresses of Bondholders to be kept on file with the Trustee, which request shall include a statement of the principal amount of Bonds held by such holder and identifying, by number and series designation, such Bonds. Neither the Issuer nor the Trustee shall be under any responsibility with regard to the accuracy of such list. At reasonable times and under reasonable regulations established by the Trustee, such list may be inspected and copied by the Borrower, the Bank or by holders (or a designated representative thereof) of twenty-five percent or more in principal amount of Bonds then outstanding, such holding and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 9. Investment of Bond Fund and Construction Fund Money. Moneys in the Bond Fund and the Construction Fund shall be invested and reinvested by the Trustee in any Eligible Investments, at the direction of the Authorized Borrower

Representative with respect thereto, provided that investments of moneys in the Bond Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide moneys hereunder to pay the corresponding Bond Service Charges as they fall due at stated maturity or by redemption, and that each investment of moneys in the Construction Fund shall in any event mature or be redeemable at the option of the Trustee at such time as may be necessary to make timely payments from such Fund. Subject to any such orders with respect thereto, the Trustee may from time to time sell such investments and reinvest the proceeds therefrom in Eligible Investments maturing or redeemable as aforesaid. Any such investments may be purchased from or sold to the Trustee or any of its affiliates. The Trustee shall sell or redeem investments standing to the credit of the Bond Fund to produce sufficient moneys hereunder at the times required for the purposes of paying the corresponding Bond Service Charges when due as aforesaid. An investment made from moneys credited to the Bond Fund or Construction Fund shall constitute part of that Fund and such Fund shall be credited with all proceeds of sale and income or loss from such investment. Each Borrower has covenanted in the Agreement to restrict the use of the proceeds of the Bonds of the corresponding series so that they will not constitute arbitrage bonds under the Code. Any investments in the Bond Fund or Construction Fund shall be valued at face amount or market value, whichever is less.

Section 10. Authorization of Agreement, Indenture and Assignment. In order to better secure the payment of the Bond Service Charges as the same shall become due and payable, the Executive and Clerk of the Issuing Authority are hereby authorized and directed to execute, acknowledge and deliver the Agreement, the Indenture and the assignment of the Note, in substantially the forms submitted to this Issuing Authority, which are hereby approved, with such changes therein not inconsistent with this Bond Legislation and not substantially adverse to the Issuer as may be permitted by the Act and approved by such officers. The approval of such changes by such officers, and that such are not substantially adverse to the Issuer, shall be conclusively evidenced by the execution of the Agreement, the Indenture and any such assignment by such officers.

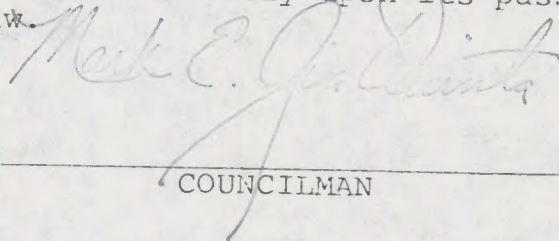

The Executive and Clerk of the Issuing Authority are each hereby separately authorized to take any and all actions and to execute such financing statements, certificates and other instruments that may be necessary or appropriate in the opinion of Peck, Shaffer & Williams, as Bond Counsel, in order to effect the issuance of the Bonds and the intent of this Bond Legislation. The Clerk of the Issuing Authority, or other appropriate officer of the Issuer, shall certify a true

transcript of all proceedings had with respect to the issuance of the Bonds, along with such information from the records of the Issuer as is necessary to determine the regularity and validity of the issuance of the Bonds.

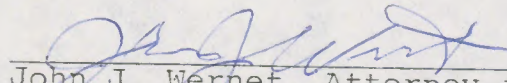

This Bond Legislation shall constitute a part of the Indenture as therein provided and for all purposes of the Indenture, including, without limitation, application to this Bond Legislation of the provisions in the Indenture relating to amendment, modification and supplementation, and provisions for severability.

Section 11. Compliance with Open Door Law. It is hereby determined that all formal actions of this Issuing Authority relating to the adoption of this Bond Legislation were taken in an open meeting of this Issuing Authority, that all deliberations of this Issuing Authority and of its committees, if any, which resulted in formal action, were in meetings open to the public, and that all such meetings were convened, held and conducted in compliance with applicable legal requirements, including the Indiana Open Door Law.

Section 12. Effective Date. This Bond Legislation shall take effect and be in force immediately upon its passage and approval as provided by law.
